Why Vision Telematics

- **Expert support** — Help from our specialist team
- **Commercial grade** — Built for working fleets and assets
- **One platform** — Vehicles, cameras & assets, one login
- **One partner** — Hardware, connectivity & software

Features & benefits

FEATURE — WHAT IT DOES	BENEFIT — WHAT IT MEANS FOR YOU
4G live access View live and recorded video remotely.	**No trips to the vehicle** Investigate incidents the same day.
Wi-Fi depot download Footage downloads automatically on return to base.	**Lower data costs** Bulk video moves over Wi-Fi, not 4G.
Event triggers G-sensor, panic and I/O inputs lock important footage.	**Nothing important is lost** Every incident is preserved.
