High-speed industrial microSD card, 256 GB

256 GB HIGH-SPEED INDUSTRIAL MICROSD FOR IN-VEHICLE VIDEO

PART No. SL-0027-SC

A 256 GB high-speed industrial microSD card built on 3D TLC flash, rated for the continuous read/write cycles of in-vehicle video recording. Consumer cards wear out quickly in dashcams — industrial cards keep recording reliably with fast, sustained write performance for multi-channel systems.

- Industrial-grade 3D TLC flash
- Rated for continuous video recording
- High-speed sustained writes for multi-channel video
- 256 GB capacity
- Recommended for Vision AI dashcams and MDVRs

Industrial-grade storage for continuous recording

PRODUCT MARKINGS CE
